Foreword

Life entangles all in its web
We are drawn up in thought,
In competition, in club activities.
We exist for ourselves and we
Exist for our friends.
We honor our teachers and they
Honor our academic freedom.
We've had our ups and we've had
Our downs,
We have our smiles and we have
Our frowns
But most of all we have our memories
Of days gone by, of love,
And laughter, and life.
Let this be your memory of
A wonderful year at GBHS.

Students take a break from class problems during lunch.

The six south doors provide a convenient entrance from the parking lot.

Hall monitors pick up attendance slips and deliver notes as well as watch student conduct in the halls.

After lunch students relax in the commons area.

Some business must be conducted between students and administration in the office before class begins.

Students Adjust to Daily Routine

Language lab facilities encourage rapid learning of French, Spanish, or Latin.

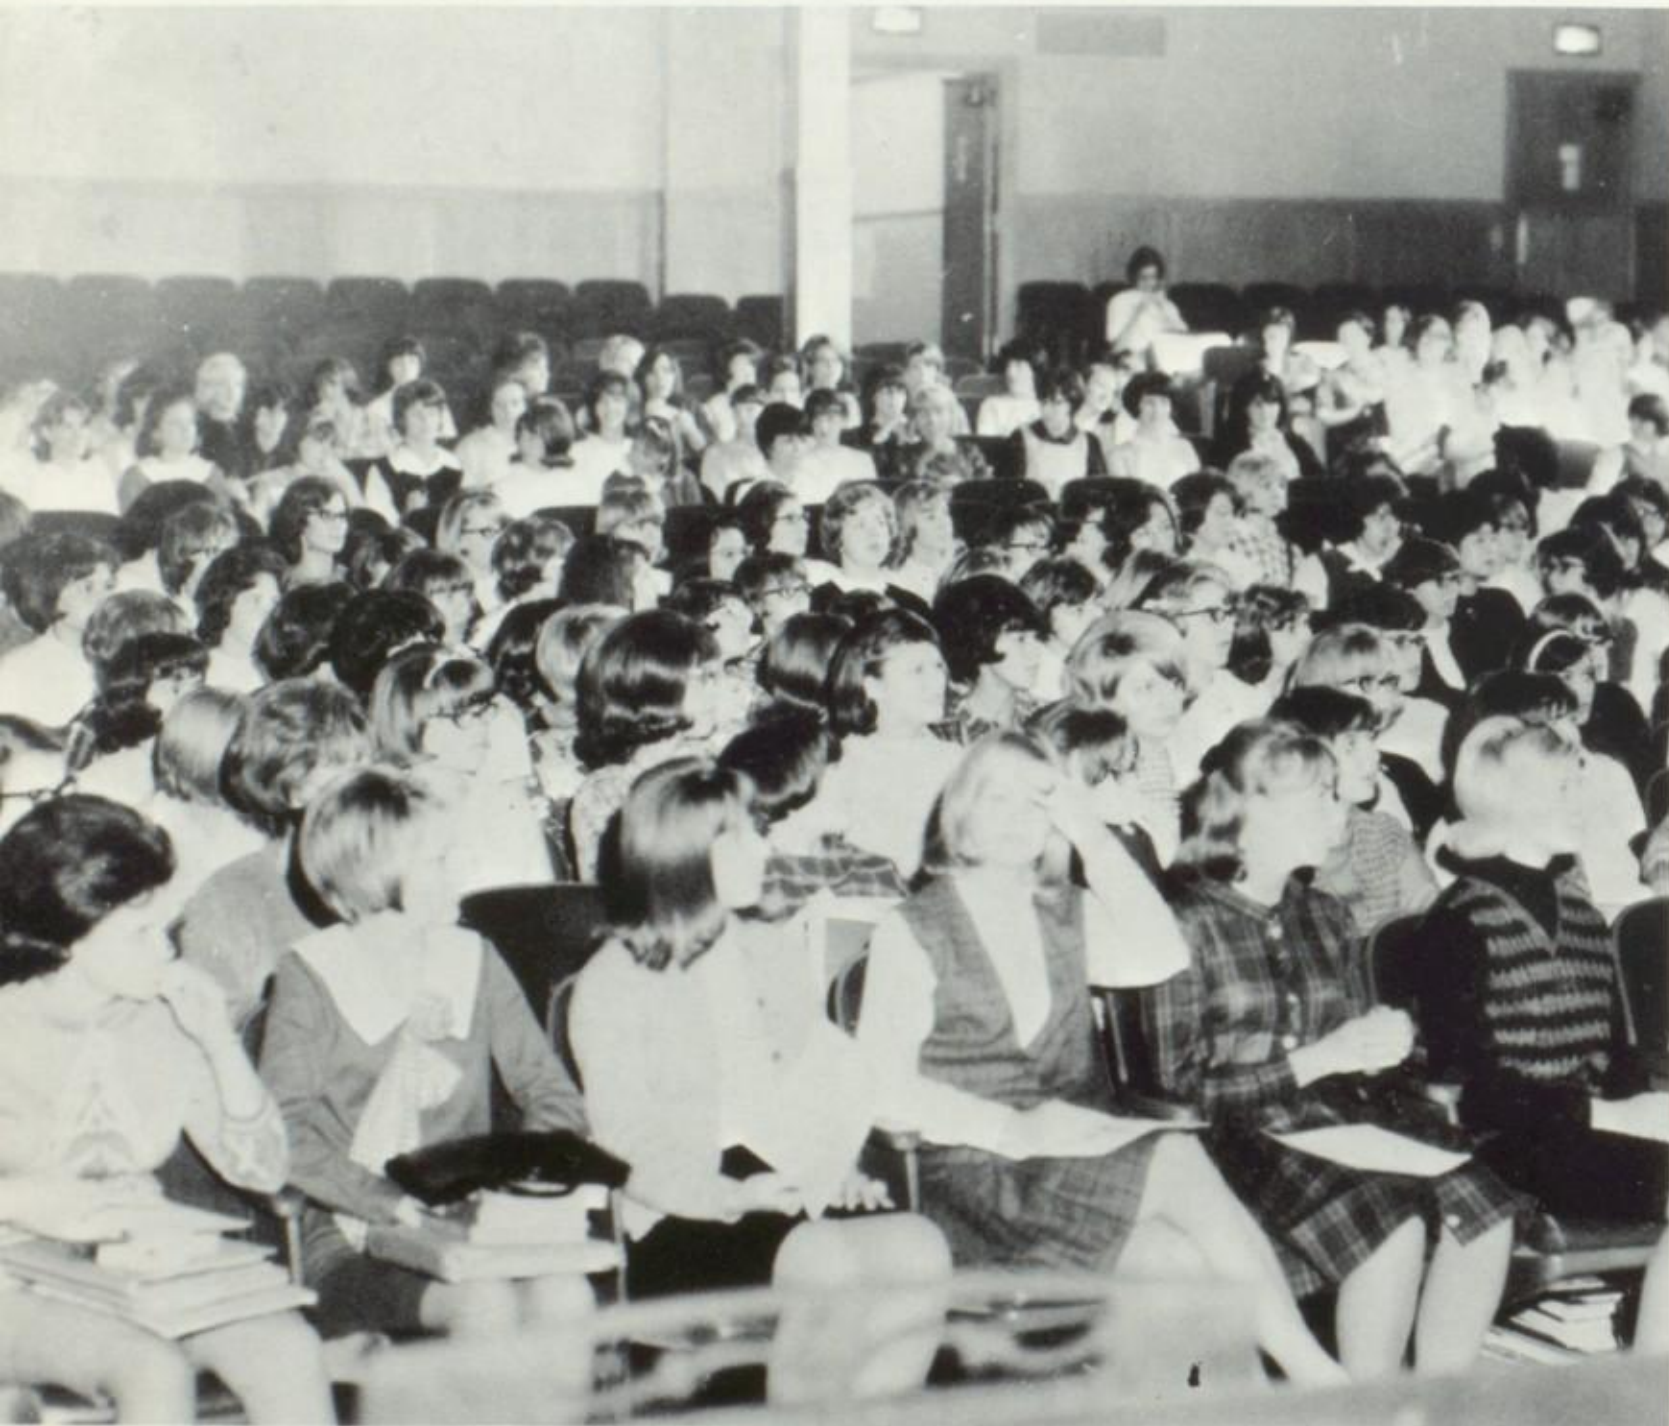

Girls make posters to publicize the football games.

Student Activities Offer Challenges

Club meetings create enthusiasm.

Rhorea sales get underway with a promotion skit.

The Student Council sells decals.

F.H.A. members leave for convention.

School Sports Promote Student Unity

Panthers evade opponents.

Cheerleaders execute new skills.

Injury to player requires substitution.

Sophomores earn money during football game.

Pepperettes serve parents of the 'Panther Pack'.

Display cases furnish area for colorful, educational exhibits.

Expansion Provides Modern Facilities

The lunch program is conducted efficiently in an improved cafeteria.

Films, lectures, and demonstrations are popular in the modern atmosphere of the variable classroom.

Experiments in the new laboratories supplement chemistry students in their text study.

Modern library facilities provide reference material, study area, and conference rooms.

Students take advantage of individual study desks in the library.

Dedication

Because he is an inspiration to the students and faculty of Great Bend High School, the Rhorea staff of 1966 wishes to dedicate this yearbook to Emerson MacDonald.

A builder with his mind as well as with his hands, Mr. MacDonald has devoted much time and effort to school projects, the direction of plays, and to his classes. Mr. MacDonald, teacher of English, speech, and dramatics, projects his experience so that others might profit from them.

Transmitting his patience, understanding, and humor, Mr. MacDonald aids us in shouldering our responsibilities and in meeting our goals.

In appreciation for the unselfishness of this man, to his school and community, this page is dedicated to Emerson MacDonald as a symbol of our respect and admiration.

District No. 1 Board members: Dr. M. O. Steffen; James Heaton; B. G. Fryberger; Victor Koelsch; Mrs. Rene Wells; Robert Bates.

Unification Becomes Reality

The school year of 1965-66 has been extremely important for the Board of Education. With the unification law going into effect this year a new unified school board must also begin the task of co-ordinating the school program for Barton County as well as for the city of Great Bend. The present boards of District 7 and District 1 will be discontinued and in their place the unified board (District 428) will assume the responsibilities held by these two boards.

The job of planning for this first year was done by the unified board. They determined such things as the attendance centers for Barton County students, the employment of the staff, and the establishment of a new operational procedure.

District No. 7 Board members: Dr. M. O. Steffen; Robert Essmiller; Dale Engleman; Victor Koelsch; Mrs. Rene Wells; B. G. Fryberger.

Plan For Attendance Centers

The task of determining the zoning and transportation for the new unified school district has been the main concern of the Administration during the 1965-1966 school term. Mr. Swartz and Mr. Holman met with each rural school board earlier this year so that they could better plan the distribution of students to the various schools, now referred to as attendance centers.

In their new offices at Jefferson Elementary School, Superintendent Swartz and Assistant Superintendent Holman spent many hours pondering the co-ordination of instruction methods to be used at the start of the 1966-67 school year.

Mr. Swartz, as president of the Kansas School Board Association, had the honor of being among thirty individuals selected from the entire United States to visit Germany this spring. This trip gave him a firsthand knowledge of the philosophy, practices and problems of the West German school system.

Mrs. Mary Scott and Mrs. Vera Michaelis, secretaries to Mr. Swartz and Mr. Holman, have ably performed all clerical duties expected of them.

CECIL DRYER — Vice Principal — (B.S.) Kansas State Teachers College, Emporia (M.S.) Fort Hays State College, Hays, Kansas.

Principals and Staff

Good student citizenship is considered to be very important by Vice Principal Cecil Dryer. In his work of managing activities and their financial accounts, directing adult education, and advising the student council, he promotes this ideal.

Mrs. Anglemyer and Ellen Beyer work in the office staff to co-ordinate the school day. Mrs. Anglemyer working with Mrs. Wilber, signs excuses, and enrolls new students. Ellen works in the office seventh hour, helping with bookkeeping and other small yet significant office jobs.

Mrs. Wilber, Mrs. Anglemyer, and Ellen Beyer work at the new office desks during the day.

Mr. Dryer checks an excuse with Karla Garrett.

MRS. JUANITA ANGLEMYER (ALLEN) — Secretary

Mr. Halbower addresses the teachers in a typical Thursday morning teachers' meeting.

Coordinate Educational Program

Over-all school spirit which gives the student a sense of belonging is part of the purpose of Principal Don Halbower. Mr. Halbower's duties consist of curriculum co-ordination and planning, staff supervision and supervision of support personel such as the cafeteria workers, the maintenance crew and the custodians. Analysis and discipline of student difficulties constitute a large share of Mr. Halbower's duties.

Mrs. Wilber shares office secretarial and clerical duties with Mrs. Anglemyer.

MRS. HELEN SNELL (R. C.) — Counselor—(B.S.) (M.S.) Northwestern State College Alva, Oklahoma

Counselors Expand Guidance

GUIDANCE PROGRAM—MENTAL FITNESS

Mental fitness of today's student plays an important role in his school and after school life. Counselors serve the school giving aid in vocational, educational and social-personal areas, by helping the student develop realistic ideas and images about himself and planning for the achievement of worthy realistic goals.

In the pleasant atmosphere of the new guidance rooms students and counselors alike feel more at ease when looking for research materials, waiting to talk to a counselor or just browsing.

Seniors and Mr. Carpenter, a part time counselor, discuss their college aims.

Library Atmosphere Creates Desire for Learning

With the new library this year containing a faculty library, special conference rooms, a larger area for the main library, and supervised by two librarians, a part-time clerical worker and a staff of student librarians, students of GBHS can find books and research material more readily than before. The library is open for night hours this year and it seems that the students have been profiting from the open library.

The GBHS library is a growing aid to learning.

Many students enjoy the use of the new library conference rooms.

Student librarians this year consist of (on floor): Kay Snodgrass, Ann Herold, Frank Mull, and Diane Coldwater. First row: Irene Hitz, Sue Coldwater, Marcia Koch, Leslie French, Diane Boger, and Darlene McKay. Second row: Marlyn McVey, Nancy Branson, Beverly Steffen, Carolyn Corkill, and Dan Zimmerschied.

Business Courses Are Key to Finer Living

Through the business departments, students gain the reasoning and understanding of the modern business world. The instructors offer courses such as typing, shorthand, notehand, clerical practice, book-keeping and other subjects related to business.

Also offered is Distributive Education, in which the student has actual office or selling practice. The courses are so complete that students may enter the business world after graduation without further training.

Homemaking Skills Prepare for Future

The Home Ec department provides learning for the future role of housekeeper, wife, and mother. Home Ec I-III are offered at GBHS. During the first semester a class studies sewing techniques which increases their skill in making skirts, blouses, jackets or coats.

Second semester relates to cooking, meal planning, marketing, nutrition, money management and interior decorating. Family Living is offered for senior girls and units such as marriage, personality, money management, family relations, home management, child care and home nursing are covered to prepare the girls for a happy and successful marriage and home.

The Family Living classes are made up of lectures on "thresholds to adult living."

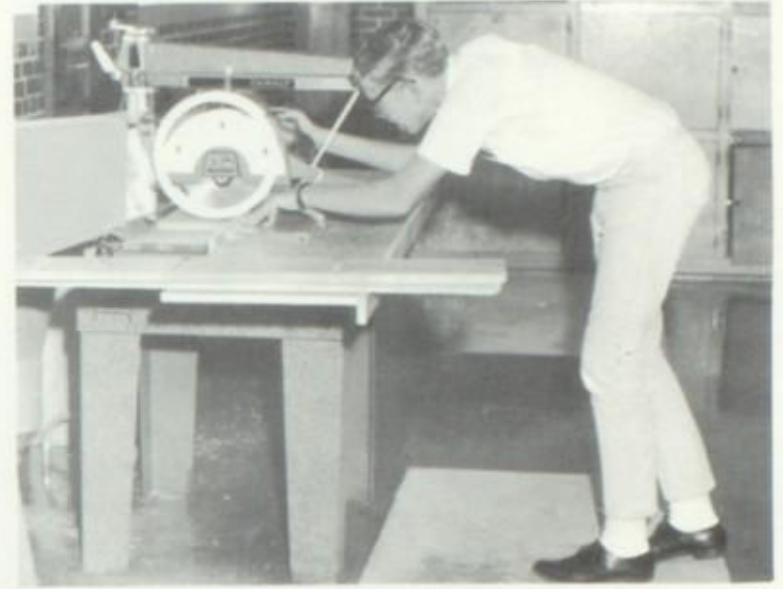

Rosemary Hipp helps June Karlin pin the hem on her coat as a project in Homemaking III.

Brian Harders cuts a piece of wood to use on his project in Mr. Brichacek's woodworking class.

Industrial Arts Are Practical

The main objective of the Industrial Arts department is to help students to develop their skills in such areas as woodworking, metal work, and agriculture.

In woodworking and mechanical drawing girls as well as boys are trained to use special instruments to design their projects and thus make them beautiful as well as practical. This training also enables the student to develop his imagination.

Other practical skills offered this year were metal work, electricity, and vocational agriculture. These courses provide an excellent opportunity for the student to obtain experience in an industrial field.

Jerry Cartlidge cuts a metal bar with a power hack saw while Lonnie Resner and Mr. McMulkin watch him.

Language Arts Are Basis of Success

English is required in all classes at GBHS and the students learn various principles of basic grammar and oral and written composition. Studies in literature lead to a better understanding of different nations and people.

Speech, debate, and dramatics encourage students to express themselves efficiently and to express their own ideas and thoughts. The basic learning of the English Language arts will help prepare students for a higher education and lead to further advancements in the future.

Current History Becomes

Increasingly Important

J. C. SMITH
Constitution (B.A.) (M.A.) Colorado State College of Education, Greeley, Colorado

Pupils in Mr. Feis's constitution class locate the major trouble spots on a world map.

Teaching the subjects of history, geography, and constitution is not concerned solely with things of the past. Current events are becoming more and more important and thus they are often an interesting topic for discussion in these classes. Teachers realize that history is being made every day and that they should keep their students well-informed on world affairs.

International Relations is an excellent subject in which to become well acquainted with important events. All of these classes use newspapers, magazines and films as supplementary materials to give more emphasis to specific events and to add to the educational value of the course.

Psychology, Sociology and How to Study are also related to the study of people and the things they do.

All of the teachers in this department have given their students a much better understanding of their heritage and the world around them.

Math Program Terminal, College Preparatory

The GBHS math department has a two track program—terminal and college preparatory. Students in some courses are divided into enriched, regular and remedial classes. The modern concepts have been incorporated in much of the teaching.

Algebra I extends the concepts of sets, equations, inequalities, properties of real numbers, and graphing of linear equations. It also includes a short introduction to quadratic equations and square roots.

Algebra II extends understanding and use of the number system, formulas, equations, graphs, and numerical trig.

Geometry acquaints students with a mathematical system based upon deductive reasoning and the nature of proof.

Trigonometry entails the study of trig functions of angles and elaborates on concepts previously taught in algebra.

Advanced math is designed to introduce the three important branches of mathematics: analytic geometry, calculus and statistics.

Senior Math is a course for the non-college bound who wish to review some fundamental principles of math and their applications.

Science Meets Challenge of Change

In the three fields of science, Physics, Chemistry and Biology, the emphasis has been placed upon thinking rather than memorizing, this year.

Science gives the student an idea of the complexities of life. It prepares the student for the world and for future study in the scientific world. Electronics is also taught and gives the essential background for electricity.

Languages Vital in Modern World

Bill Franklin studies his Spanish utilizing one of the compartments in language lab.

In this present day and age when rockets circle the earth in a few hours and planes travel between countries in a short span of time, languages are fast becoming more and more vital to the people whose jobs take them into all parts of the world.

The language department offers three courses in which students may broaden their knowledge of a specific country as well as learn to speak the language. These courses are Latin, Spanish, and French. Spanish and French are spoken in many countries around the globe today. Although Latin is no longer used as a national language in any country, it provides the student with a broader knowledge of derivation of English words and an exciting history of the Roman civilization.

Fine Arts Develop Individual Talents

One of the most important objectives of the Fine Arts Department is to help students develop their talents in both vocal and instrumental music, as well as in art. Students gain much valuable experience in these fields by participating not only in one large group, but by taking part in a small ensemble. The students who are exceptionally talented often get an opportunity to perform individually.

The band and choral groups present several concerts during the year. These groups are often called upon to appear at many functions outside of school.

The art department teaches the students the principles of design and thus helps the boy or girl to develop his or her imagination. This enables the individual to express himself.

Education Develops Physical and Mental Powers

WAYNE BRADSHAW
Study Hall Supervisor, Wrestling Coach, Tennis Coach, Assistant Football Coach—(B.S.) Oklahoma State University, Stillwater, Okla.

Students enrolled in special education learn the important role that specialized training and training for business will play in their lives. Because of this instruction the student has a better knowledge of how to prepare for the job he wants. The education that a student receives in this course also serves as a good background for further educational pursuits.

Physical education has long been stressed as a vital part of a strong nation. The physical education program at GBHS is quite varied and offers many activities which help the student to develop new skills and improve old ones. Students learn to appreciate the values of co-operating with each other and realizing that good sportsmanship is far more important than winning or losing a game.

Girls in Mrs. Jimison's swimming class practice their side stroke while others await their turn.

RONALD COX
Special Education (B.S.) Sterling College, Sterling, Kansas

Mrs. Gordon Hayes, head lunch supervisor, works at her desk in the new Food Service Office.

Full-time workers this year include Bernice Brown, Helen Price, Dorothy Petersen, Dorothy Tannahill, Rachel Appel, Lonella Reisseg, Adelle Thompson, and Dorothy Behrens.

Cooks Aim to Please with New Kitchen Equipment

Working in an expanded kitchen area the cooks of GBHS are turning out over 1,000 meals a day. Under the supervision of Mrs. Hayes and Mrs. Tannahill the meals prepared are nourishing and attractive.

The cafeteria serving line is more efficient now that there are two lines. The Grade A lunch is served in both lines and a special low calorie plate is served in one line, for dieting faculty members and students and athletes.

Cooks, Eunice Miller, Iona Martin, Betty Wilkerson, Evelyn Clark, and Mary Folkerts, prepare for the stream of students.

One of the last classes to be served lunch includes John Wilson, Randy Knobloch, James Radke, and Steve Sisson, shown going through the line.

Part-time workers are: Margaret Scott, Iona Martin, Eunice Miller, Agnes Condit, Betty Wilkerson, Evelyn Clark, and Mary Folkerts.

Mrs. Elsie Brack, the only woman custodian at GBHS, spends much of her time cleaning the library and the variable classroom.

The enormous task of keeping our school clean and attractive is a full time job for Alvin Grunz, August Klusener, and Gottfried Miller Jr.

Students of GBHS owe much to Waldean Wonsetler and Vern Baldwin for transporting them to and from the many varied activities during the school year.

Keeping the sidewalks clean during the winter was only one of the many duties performed by Waldo Behrendt.

All Appreciate the Custodians Services

The new addition to GBHS has necessitated the hiring of two more custodians, bringing the total to eight men and one woman. All of our custodians have done an excellent job in keeping our building and grounds clean, neat, and attractive this year. They have worked hard trying to please us and we, as members of the student body and faculty, owe them our deepest gratitude.

Two of our new custodians are Max Varney and Bill Hamilton, who work during the evening hours to keep our building neat and attractive.

Class of '66

Entering GBHS with an enrollment of 316, the class of 1966 presented a 1-Act drama, "The Shoemaker's Wife."

For their Junior 2-Act play, this class gave an exciting performance of "The Diary of Anne Frank." They worked hard for a successful Junior-Senior Prom with "East of India" as the theme.

The Senior Class Picnic and the Senior 3-Act, "Our Town," climaxed an unforgettable three years of high school. The graduating seniors received their diplomas in commencement exercises on May 26, 1966, in which Dr. Thomas P. Butcher of Emporia gave the address.

While realizing that the future seniors will equal and surpass their achievements, the class of 1966 is proud that they had the opportunity to lead their school in a successful academic and social year.

The Class sponsors are Mr. Kruckenberg, head sponsor, Mr. Boley, Mr. Hague, Miss Hodges, Mr. Marsh, Mrs. McMannis, Mr. Nebergall, Mr. Smith, Mr. Spong, Mr. Swartz, Mrs. Trowbridge, and Mr. Urban.

Juniors Number 346

The Junior Class, numbering 346, has demonstrated their capability of leadership and good sportsmanship. These qualities can only be outstanding if the students work for them.

Achievements of the class of 1967 were working in the concession stand, conducting the magazine sales, constructing a float for the Football Homecoming Parade, presenting the annual Junior 2-Act, and planning the Junior-Senior Prom, the highlight of the year.

Sponsors for the class are Mr. Buckles, chairman, Mr. MacDonald, co-chairman, Mrs. Caraway, Mrs. Carter, Mrs. Gunn, Miss Lundstedt, Mrs. Marshall, Mrs. Garrison, Mr. Bradshaw, Mr. Carpenter, Mr. Hartman, Mr. Wagner, Mr. Cox, and Mr. Keenan.

Honor Leadership in National Forensics

The National Forensics League is an honor society for students participating in debate and speech festivals. Points are earned by taking part in debates, service projects, interscholastic competition, and in the student congress.

The goal of the National Forensics League is to train leaders for tomorrow. Members are encouraged to become effective speakers and more successful and influential citizens. Membership in this organization of the present and future leaders of America is considered a privilege.

First Year to Host Two AFS Students

Great Bend High School was very fortunate this year in having two AFS students the first semester. Esperanza Zuniga from Costa Rica will have completed her high school education when she returns to her hometown.

Ahmet Cakir, who is from Turkey, spent the first semester at GBHS. In January Ahmet transferred to another school.

Randy Cullen and Julie Solso discuss their recommendation to the AFS program.

Two students from GBHS have been recommended to the New York Chapter of AFS. They are Julie Solso and Randy Cullen. In March they will be notified if they qualify as semi-finalists. The semi-finalists will be notified in May if they have been chosen to go abroad.

Esperanza Zuniga displays her native costume to Mr. Robert Larson.

Juniors Choose Suspenseful Drama

On December 2 and 3 the Junior Class presented "The Ugly American," a 2-act drama directed by Emerson MacDonald. The play was concerned with the problems of an American engineer in the fictional country of Sarkhan, and showed what could possibly happen under the cover of American "diplomacy."

Ambassador Sears, Chet Burgett, welcomes George Swift, Neel Pizinger, to the embassy staff.

Homer Atkins, Dennis Embry, is attacked by some Sarkhanese who suspect him of poisoning their milk.

Mrs. Webb, Mary Dougherty; Mrs. Gibbs, Linda Leiker; and Mrs. Soames, Becky Herold, discuss the problem of Simon Stimson while Mr. Gibbs, Ron Rusco, waits impatiently for his wife to return home.

In the Second Act, the Stage Manager, Herb Parrish, finishes the wedding ceremonies while George, Mark Devaney, and Emily, Marva Eberhart, seal their wedding vows with a kiss.

"The Happy Journey," by Thornton Wilder, was chosen as the All School play this year. Miss Linda Hodges directed the 1-Act play, which portrayed the Kirby family on an automobile trip to visit a relative. The six-member cast worked hard to make the play a success, presenting it at the League Festival at Russell on February 26, and at the District Meet in Hays on March 17.

Many Students Vie for Local Forensic Honors

Speech activities which include extemporaneous speaking, original oration, prose and poetry interpretation and readings compose the Forensics topics.

Students interested in Forensics participate in the local meet in January. The winners then have the privilege of appearing in out-of-town and district meets. NFL points may also be gained by participants in Forensics.

Under the guidance of Miss Hodges the members of the Forensics' squad have learned more about speaking and have gained confidence and poise in front of an audience.

Tim Berscheidt discusses his speech with Miss Hodges. Tim has won the American Legion Oratorical Contest for two years in a row.

Winners of the local Forensics meet were Becky Merten, oral interpretation of poetry; Bitsy Cavanaugh, Margie Stevenson and Ned Darr in readings; second row: Jana Goodwin, oral interpretation of prose; Linda Leiker, oral interpretation of poetry; Mary Ann Boyle and Tim Berscheidt, oration and extemporaneous speaking; and Neel Pizinger, reading and oral interpretation of prose.

Members of Forensics that went to the Russell meet were first row: Bitsy Cavanaugh, Margie Stevenson, and Mary Ann Boyle. Second row: Tim Berscheidt, Jana Goodwin, Ned Darr, Becky Merten and Mary Dougherty.

A Cappella Choir Performs on Tour

The 1965-66 school year has been a successful one for the vocal music department under the direction of Kenneth Shaheen.

One of the highlights of the year was the annual Christmas Concert by the A Cappella Choir. The snow-covered English village provided a beautiful background while the choir sang such selections as "Pat-a-Pan" and "Carol of the Drum."

In April the choir participated in the State Music Festival at Hutchinson. The group also traveled to

Hutchinson and Wichita for their spring tour and performed at Hutchinson High School and Wichita State University.

The Girls' Glee Club and a new popular mixed choral group, the Choraliers, participated in several concerts during the year.

The Black Panther Marching Band, led by drum major, Steve Miller, had a successful year performing half-time shows at all home football games and receiving a one rating on their marching abilities in the Band Day activities at Wichita State University.

In January the Concert Band, under the direction of Joe Boley, opened its year with the Winter Varsity Concert. Touring to Junction City and presenting its annual School Concert composed the March activities. They closed their year by presenting the Spring Concert.

Selected members of the Concert Band composed the Mellow Teens, a dance band, which appeared at school functions and other dances and the pep band which boosted school spirit at home basketball games and pep assemblies.

In the spring members participated in the Class AA music festival in Hutchinson and the annual Band Banquet.

Panther Tales Staff Learns Principles of Publication

The Panther Tales Staff gained valuable experience in the fields of journalism and business management this year.

Under the supervision of Miss Alice Unruh, adviser, the two journalism classes planned, coordinated, and completed seventeen issues of the school paper. All writing of copy was done by the staff and included

stories about school news and social events.

Helping to make the year a memorable one was a journalism clinic in Hays. This clinic was attended by the editors. Working on the Panther Tales Staff enabled the students to contribute to their school and community life.

Diligently pasting up the Panther Tales are editors Donna Moeder, Ellen Beyer, Barbara Burns, and Herb Parrish.

Student Council Demonstrates Leadership Capabilities

As governing body and policy forming group of the school, the Student Council represents the student body. The council was active in several ways. Members ushered at home football games and sponsored post-game dances. Sweatshirts, windbreakers, and decals were sold.

The student body successfully sold Stuco sponsored candy to raise funds for the AFS program. The AFS

(American Field Service) program sponsors students that wish to attend school in foreign countries. The Student Council is very much interested in this program and wants to raise enough money to help bring at least one student to GBHS.

JCL Studies Roman Culture and Mythology

JCL was founded to promote the understanding and appreciation of the cultures of ancient Greece and Rome. During the year, the members had skits based on Roman history and mythology. The students attended a Roman Banquet in the spring and eagerly anticipated the State Convention in Wichita.

The highlight of the year was "Saturnalia," a Roman Christmas celebration.

Practice French in Monthly Meetings

"Bonjour" is the familiar greeting heard from les membres du circle francais. The monthly meetings were traditionally conducted in French. Four committees were in charge of the programs. These committees were customs, culture, current events, and history.

These committees were responsible for a variety of interesting and educational programs for each meeting. The social event of the year was a party in the spring. Madame Marshall was the club sponsor.

On January 6, Le Jour des Rois, (The Day of Kings), Steve Meltzer became king when he found the lucky bean in his piece of cake. He then crowned Cathy Graham as his queen.

Enjoy Social Customs of Spain

Spanish Club members this year were both numerous and enthusiastic. Under the leadership of Mary Torrez, president, and Mrs. Fern Atkinson, sponsor, a record number of members participated in programs, parties, and fund-raising activities.

La Prensa, the Spanish Club newspaper written in Spanish by members, proved very popular this year and also gave staff members a chance to put their

Spanish to use.

Projects designed to earn money for the many activities included bake sales and the operation of a concession stand during games.

Special highlights of the season were the Pinata Party at Christmas, the Spring Fiesta, and a trip to Lawrence to celebrate Cervantes Day.

Hi-Y Creates, Maintains and Extends

Hi-Y, a boys' organization, was established with the purpose to create, maintain, and extend throughout the home, school, and community high standards of Christian character.

Highlighting the club's successful year were the "Moonlight Madness Dance" and the annual Hi-Y picnic. Various guest speakers talked to the boys on such subjects as Christian character and good sportsmanship.

Regional President Speaks to Joint Session

Mr. Marsh, sponsor, Randy Yowell, president of Hi-Y, Terry Mathews, past president of Kays and Kayettes, Colleen Stafford, president of Kayettes, and Mrs. Meckfessel, sponsor, discuss the joint meeting of Kayettes and Hi-Y.

The Kayettes began their outstanding year with a coke party and a skit by the officers.

This year the Kayettes, sponsored by Mrs. Meckfessel, Miss Lundstedt, Mrs. Humphreys, and Mrs. Gunn, proved themselves socially with the success of the Silver Spur and Jingle Bell Ball.

A very successful money raising project, sponsored by the World and Community Service committee, involved pictures of the men teachers' legs. Students voted for their favorites as they contributed to the "Meals for Millions" fund.

To earn money for the organization, the girls sold Christmas wreaths and holly. Prizes were given for the most Christmas greens sold. In addition, the club sold cupcakes.

The year closed with the "Date with Dad" Banquet, the Senior Farewell, and the installation of new officers.

Future Farmers Practice Classroom Theories in Vocational Training

The study of horticulture was one of the activities of Carl Helm, Jim Williams, Bill Bartholomew, Bob Schmitt and Mark Calcara.

The Great Bend Chapter of the Future Farmers of America is only a part of a nation-wide organization of farm boys studying vocational agriculture. Under the direction of Fred Schultis, the boys strive to attain agricultural leadership and to cultivate good citizenship.

Various activities for the group this year include a trip to the state fair in the fall, helping FHA girls decorate for the Snow Ball and the annual Parent-Son Banquet in April.

Other events the boys participated in were a trip to the K-State campus for the State FFA convention and a chili feed in March.

Future Teachers Learn by Helping AFS Students

The purpose of the Future Teachers of America is to promote an active interest toward the teaching profession. The senior members of the club are given a chance to teach and observe an elementary class in one of the grade schools during April, teaching career month.

In the fall the officers attended an Officers Training Workshop at Topeka. During the conference they learned new ideas for projects and meetings. In the spring members attended the state convention at Manhattan.

This year members have enjoyed talking with the student teachers about college problems. In the fall

FTA'ers made favors for the GBHS teachers consisting of chalk tied with ribbon. At Christmas time they gave the teachers a piece of peppermint candy with a holiday greeting attached. During the basketball season they had a concession stand to help earn money to finance delegates and members to the state convention. Social activities included a spring picnic with the student teachers as honored guests.

The club, which functions in the same manner as the state and national organizations, is under the direction and leadership of Miss Alice Unruh and Mrs. Lela McMannis.

Mrs. McMannis and Miss Unruh, sponsors, discuss plans for coming activities with board members: Julie Solso, vice-president; Arnell Essmiller, secretary; Lynn Moses, president; and Greg Alexander, treasurer.

Esperanza Zuniga, the AFS student, speaks to the club about life and education in Costa Rica.

Masae Chiba, with the help of Jackie Foltz and Alice Brown, learns many new things about the English language.

Future Homemakers Combine Social and Practical Skills

Future Homemakers of America is the national organization for home economics students in senior high school in the United States, Puerto Rico, and the Virgin Islands. They work together to help individuals improve personal, family, and community living.

At the beginning of the school year, FHA gave their annual Tea for Teachers and made their tentative plans for the year. Some of the activities and projects included were the Fall FHA District Conference, the Children's Christmas Party and the Snowball. "Fantasia" was the theme of the semi-formal Snowball.

To earn money for the various projects, the girls sold movie discount cards and operated a concession stand during football and basketball season.

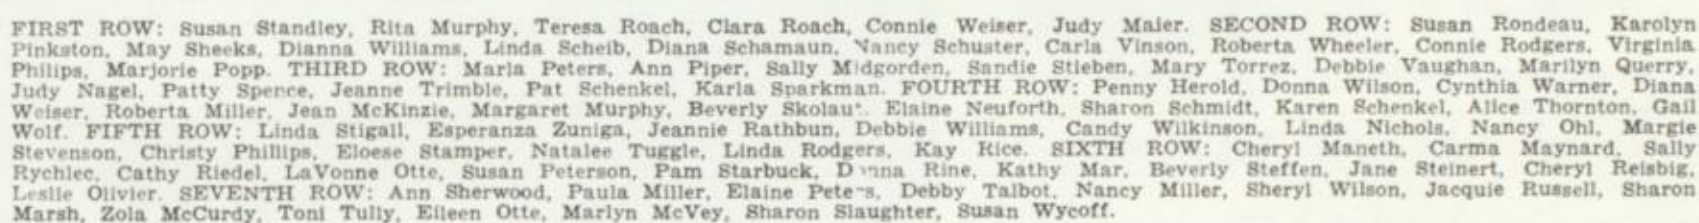

At the close of the year, the girls honored their mothers at the Mother-Daughter Banquet. Entertainment was provided and the new officers were installed. The farewell to Seniors of '65-'66 was the final program of the year.

Another successful year was completed under the guidance of Mrs. Blanche Carter and Mrs. Ann Scheuerman, FHA sponsors.

Feature She Sharks in "Showtime Splashes"

She Sharks is an organization for girls of advanced swimming and diving skills. Precision timing and precise execution in stunts are only two of the feats the girls must conquer.

For the fourth consecutive year the club is under the direction and supervision of Mrs. Janet Jimison.

In March the girls performed the annual water ballet for the public. Bev Skolaut, head natographer, was assisted by Mary Ann Gunn in planning details for the production.

The theme "Showtime Splashes" was highlighted by enchanting music and extravagant costumes to add to the beauty of the ballet.

Colleen Stafford, Bev Skolaut, Mary Ann Gunn, and Linda Anglemyer are matched seniors for the dance and swim number "Matchmaker."

Strive to Become Vital in School Spirit

Boys come alive at one of the pep assemblies.

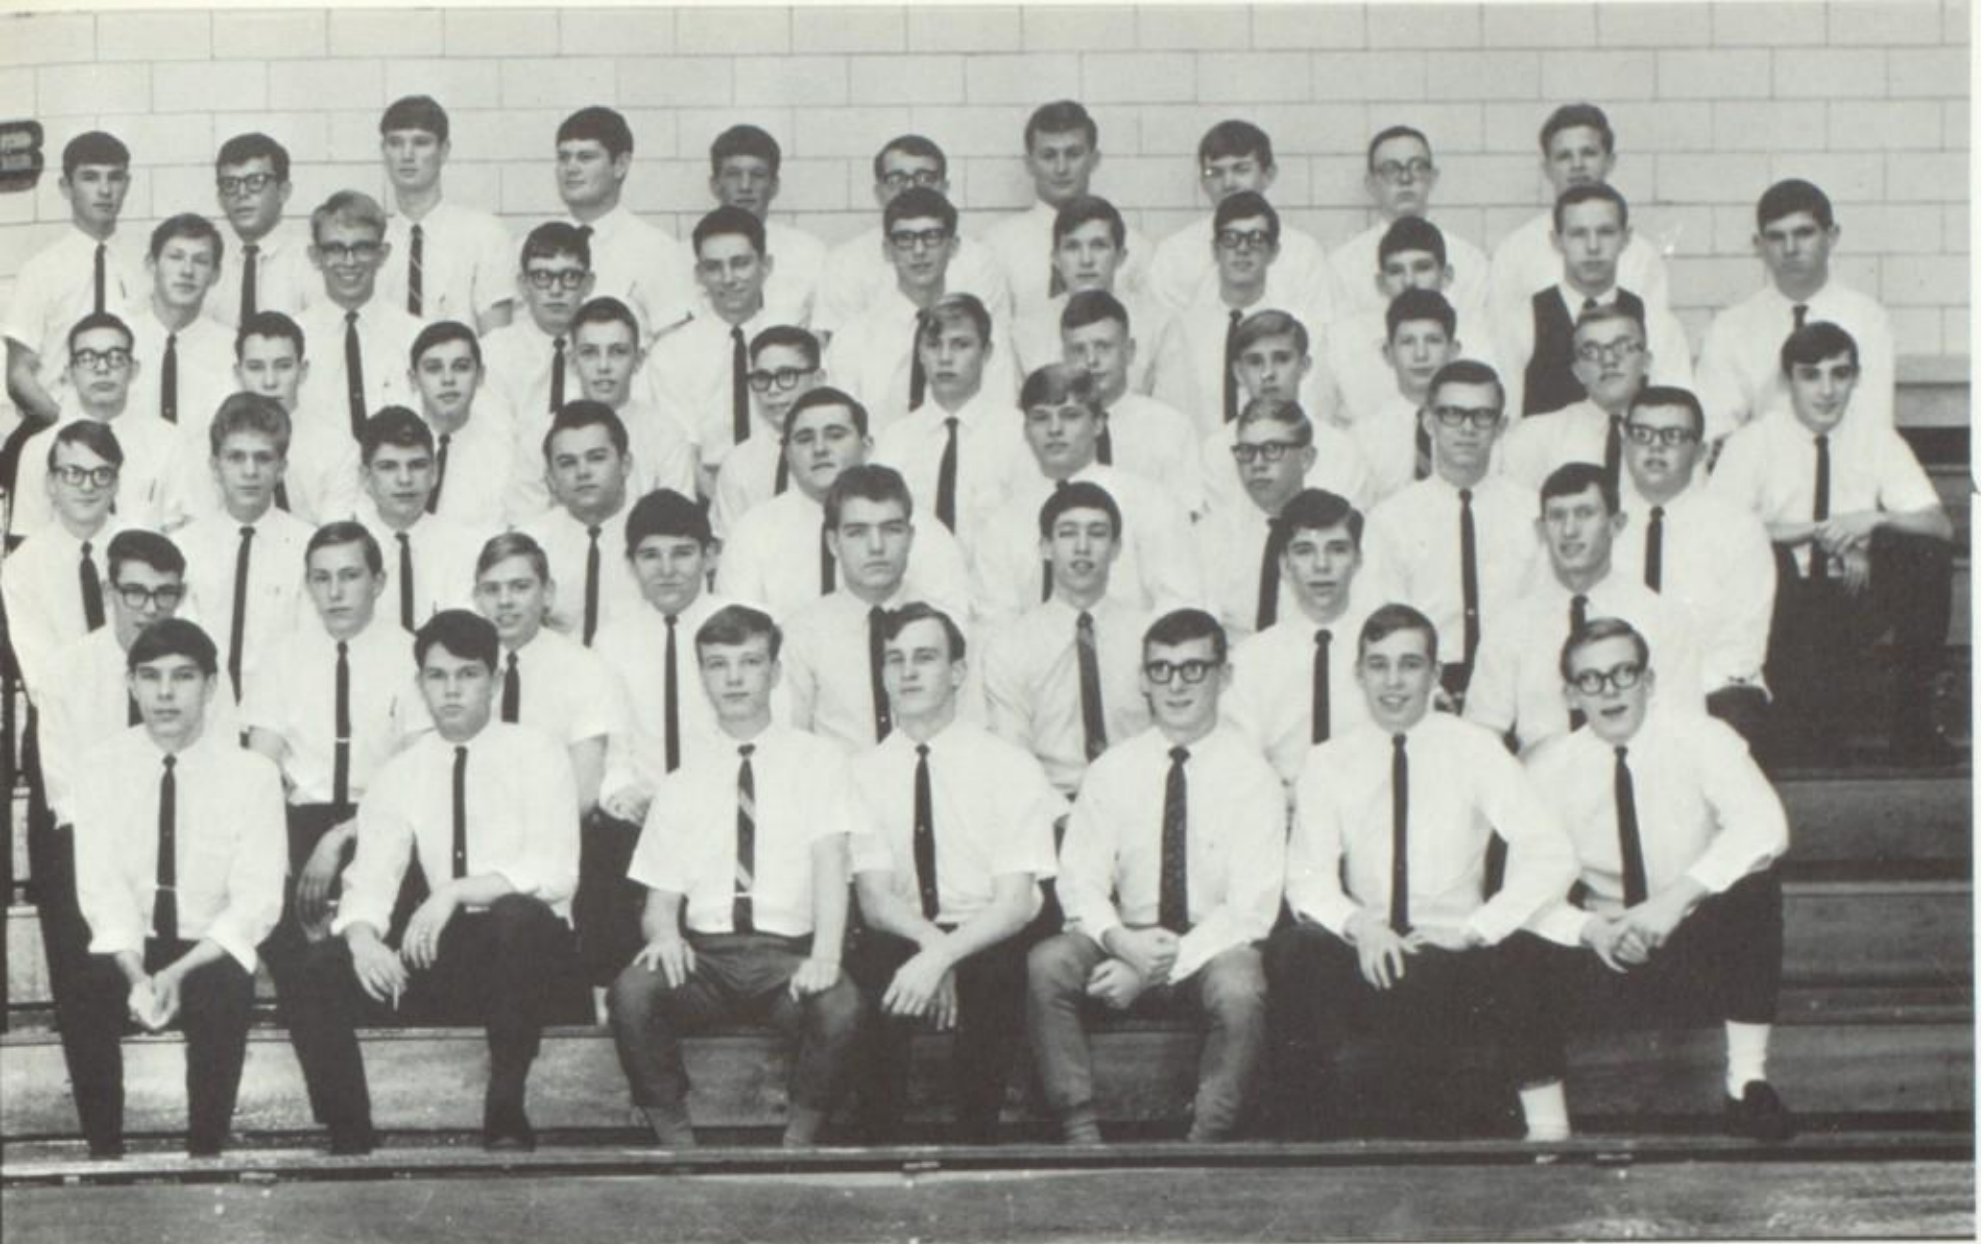

The Boys' Pep Club, a group of spirited young men, strives to stimulate school spirit and enthusiasm. They accomplish this by planning humorous skits and by accentuating yells at pep assemblies and games.

The group, in the second year of organization, is sponsored by Mr. Swartz. The black ties, red socks and white shirts of their uniform are becoming a familiar scene in the grandstand or in the bleachers.

Pep Club Supports Panther Teams

Diana Gerstner, Roberta Miller, and Jane Farr help boost school spirit by painting posters.

With the goal of creating school spirit and enthusiasm, the Pep Club, under the leadership of Mrs. Janet Jimison, Mrs. Aline Schmitt and Mrs. Gwen Query, stimulated interest in games and in other activities.

An honor group, the "Panther Pepperettes," is made up of girls that have earned twenty-five or more hours. This group provides leadership and encourages all members to add to the school spirit. Their uniforms of black skirts, white "nothing" blouses, and red blazers provided color at many school events. The Pepperettes served as ushers at the football games and held the hoop during the basketball season. The uniforms of regular members consisted of red vests, white blouses, and black skirts. These added a touch of color to the cheering section.

This year the club earned money by selling candy, pee-chees, mums for football homecomings and ribbons for basketball homecoming. They also had a concession stand during football season. The flash cards, which were used at both football and basketball games, added a great deal to the club's appearance.

The Pep Club sponsors other school functions, such as the homecoming parade, both homecoming dances, and the Corrigan Dance.

Peppy Panther Sets Pace

"P-A-N-T-H-E-R-S G-R-E-A-T" was only one of a number of cheers varsity cheerleaders ArNell Essmiller, Judy Gregg, Peggy Schumacher, Linda Thompson, Natalee Tuggle, and Debbie Vaughan used to arouse enthusiasm and support for Panther athletes.

The girls wore new football and basketball uniforms this year. Black, red, and white pleated skirts, black sweaters with the cheerleading emblems and varsity arm bands, red tennis shoes, and white socks completed their football uniforms. For the basketball season the girls changed to black bolero vests with a new panther emblem and white long sleeved blouses.

The Kansas State High School Activities Association sponsored a cheerleading clinic in the high school gym

on September 14. Merle Tyler, assistant to L. R. Herkimer, "Mr. Cheerleader U.S.A.," conducted the clinic. The cheerleaders from Great Bend High School and 51 other area schools spent the morning and afternoon sessions learning and discussing techniques of effective cheerleading.

B-team Cheerleaders—Sue Cale, Paula Miller, Susan Standley, and Linda Stigall — also stimulated keen school spirit with their cheers at games and pep assemblies. The girls added new red sweaters, cheerleading and panther emblems to complete their uniforms of red and black pleated skirts, black tennis shoes, and white socks.

Peppy Panthers, Vickie Coshaw and Barbie Mullin, aroused spirit at all Panther gatherings.

Distributive Education Students Gain Work Experience

Distributive Education is a cooperative school-work program for seniors. These students take two vocational courses in the morning and work in a local firm during the afternoon where they learn valuable experience for their future.

Now in its thirteenth year, the DE class has a new director, David Howey. In the fall, the students look forward to the State Convention in Emporia, where they compete for recognition and awards.

The DE students sold popcorn during the basketball games and folding chairs at the football games to make money. Their main project was a Halloween party near Pawnee Rock.

The officers of DE are Sandy Wyrick, secretary-treasurer; Sharen Durler, president; Cary Saling, reporter; and Donna Moeder, vice president.

New Teachers, Students Enter GBHS

Mrs. Gwen Querry has begun a specialized course in reading this year. This course is offered to those students who want to improve their reading skills.

Mrs. Querry teaches six classes with approximately eight students in each class.

With the promotion of Mr. Hinkson to Library Coordinator for the Great Bend Public Schools, Mr. Freeman became part of the GBHS staff as Librarian and English teacher. Another addition to the GBHS staff is Mrs. Hill who has taken over Mrs. Querry's typing classes.

Twenty-two Panthers

Earn Letters

The Great Bend Black Panthers finished the season by placing second in the West Central Kansas League and eighth in the state by press ratings.

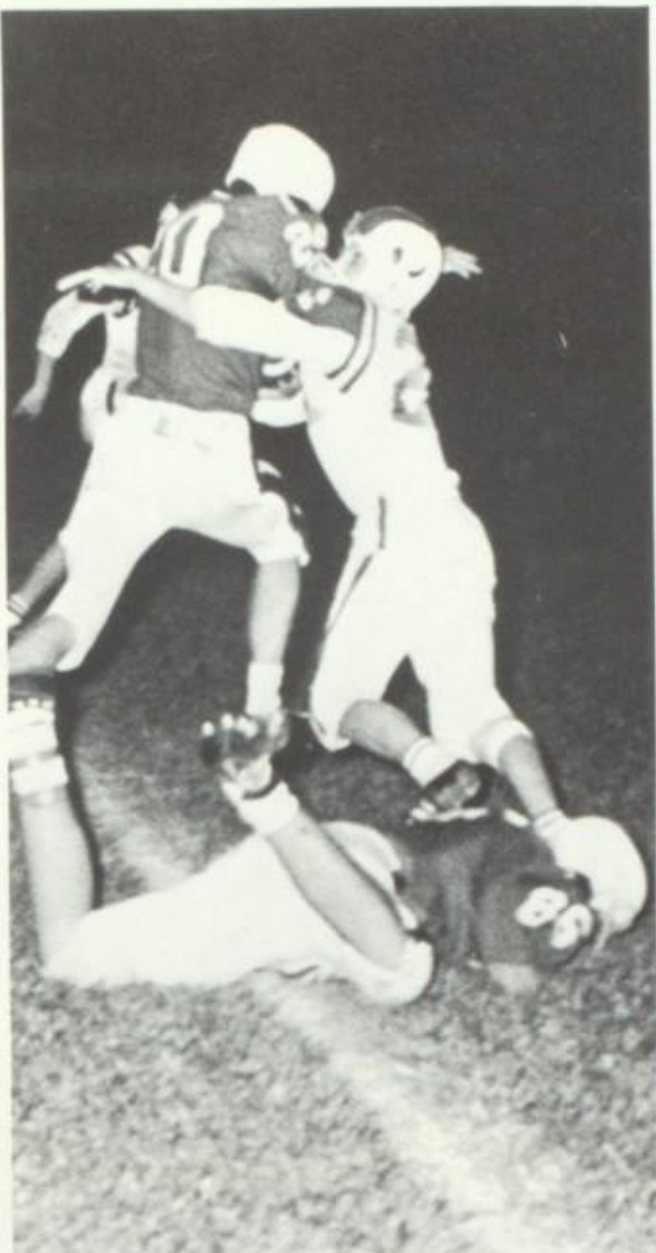

This year's squad was the first in GBHS history to place first in the state in the Associated Press Weekly Ratings. The Panthers obtained this rating by concentrating mainly on their running game, by using the single wing formation and also by exhibiting a fine aerial attack.

A 13-0 homecoming victory over the Russell Broncos proved a highlight of the season, but a 33-7 loss to Dodge City prevented the Black Panthers from becoming first in the league and having an undefeated season.

Randy Yowell and Bob Marsh were elected co-captains of the '65 squad. Twenty-two lettermen helped contribute to the success of the season under the direction of coaches McKinzie, Carpenter, Hague, Brown, and Bradshaw.

Coaches McKinzie and Hague anxiously await the results of the single wing offense used primarily throughout the season.

Receiving honorable mention on both league offense and defense Jon Briel (86) tries to block Pratt Greenback as Randy Yowell adds a few more yards to his league record.

Consistant good blocking provided by Steve Rusco (86), Bob Craine (85), and Ken Bavuso (62) helped Randy Yowell (20) in setting an offensive ground rushing league record.

Carl Helm received an honorable mention on offense in the league, but also played a fine defensive game.

WCKL Championship Goes to Black Panthers

The WCKL title was won by the Great Bend Black Panthers for the second time in three years with an 11-1 league record.

Highlight of the season was the final league game with Garden City which decided the championship.

The Panthers won the first place trophy at the McPherson Invitational Tournament by defeating Parsons, Hutchinson, and Wichita North.

Coach Nebergall will lose six Seniors through graduation this year. They are Terry Mohr, Jon Briel, Richard Flanders, Randy Keller, Randy Yowell, and Lynn Baxter. Returning Juniors next year will be Bruce Sloan, Jim Jasnoski, Bob Hilgendorf, Larry Dunekack, Mark Calcara, Larry Hendricks, Brett Moran, and John Stevenson.

The coaching staff this year consisted of Dale Carpenter, Jim Nebergall and John Munds.

Place Fourth in State

The Great Bend Black Panthers finished the 1965 season with an impressive 14 victories and only 4 defeats.

The Panthers won the Dodge City tournament and the Regional tournament at Great Bend. Winning the Regional tournament entitled the Panthers to participate in the state tournament at El Dorado. The Panthers finished the season ranked fourth in the state.

Coach Al Burns has tallied 155 victories and only 67 defeats in his 15 years as coach of the Panthers. Coach Burns looks for another fine season with eleven returning lettermen. The Panthers will be without the assistance of Gary Bender, Danny Nichols, Cole Stimson, Gary Guesnier, George Burns, Rick Krause, Mike McGreevy, and Don Taylor for the '66 season.

Dana Nokes sharpens up on the art of catching as George Wilson takes a cut at the ball.

Anticipate Fruitful Track Season

Coaches Jack Hague and Vergil McKinzie speculate on the approaching season while watching the daily workout.

The Panther track squad had an average season placing third in the WCKL league and fifth at the regionals. Doug Hilton, the only eligible thinclad, placed eighth at the Wichita State Track Meet.

During the '65 season four new records were set by Dave McLeland with a 4:32.2 mile run, Bob Hilgendorf with a 6' 7/8" high jump, Frosty Bodine with a 173' 3" javelin throw and Doug Hilton with a 53' 4" shot put.

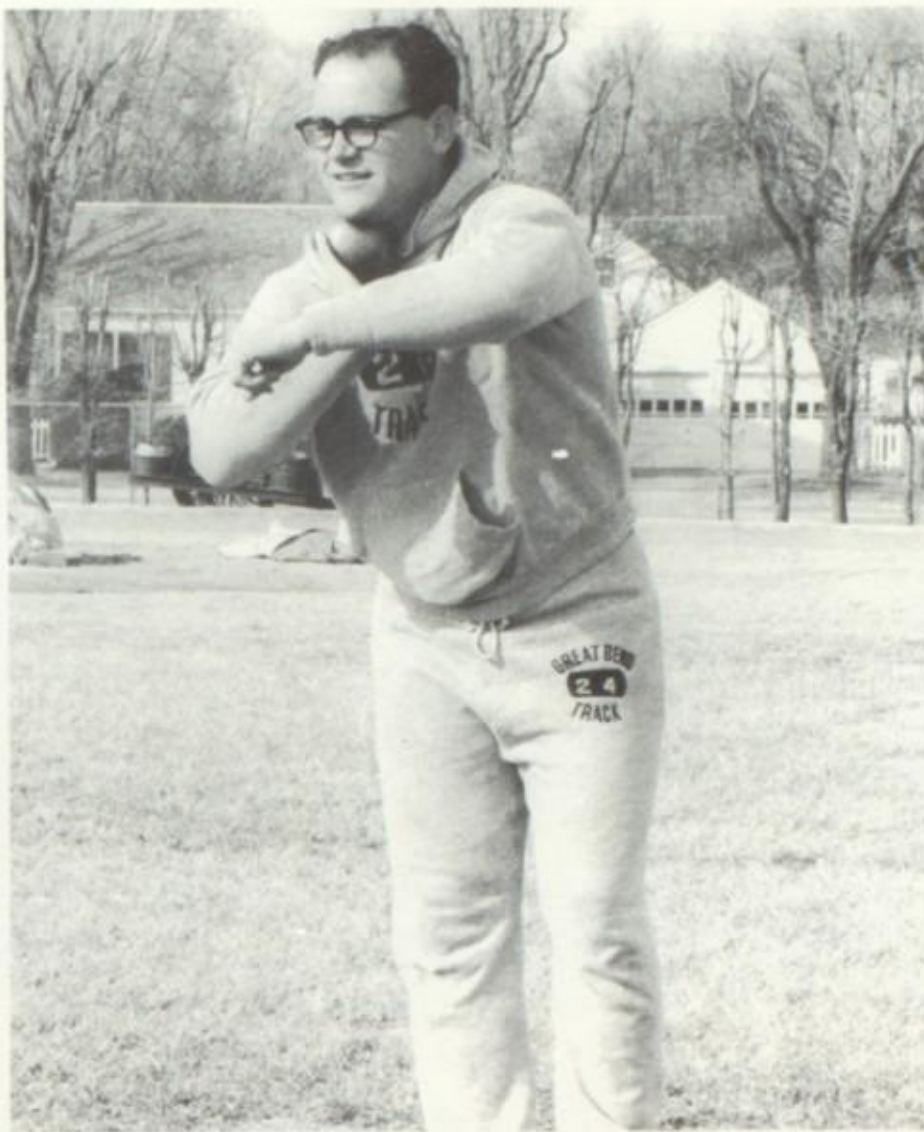

Head Coach Jack Hague is looking toward a fruitful season with three returning record holders and six returning lettermen.

Number Ten

Carl Helm and Doug Hilton appear to be absorbed in getting in shape for the season.

Randy Cullen, Robert Harms, Fred Nuss, Terry Claassen, and Mike Graham learned pointers for improving their games from Coach Jim Nebergall.

Discussing plans for the 1965-66 season are golfers Frosty Pommerenke, Mike Schonhoff, Joe Kramer, Mike Graham, Terry Claassen, Ken Bright, Craig Biggs, David Gerstner, Rocky Evans, Randy Cullen, and Phil Kohart.

Experience To Aid Linksters

The 1964-65 linksters had a fine record, taking first place at the Ellinwood invitational tournament, second at Claflin, fourth at Lyons and Great Bend, and sixth at the State Regional tournament.

With the resignation of Coach Dale Howell at the end of the 1964-65 school year, Jim Nebergall became the 1965-66 golf coach. Coach Nebergall expected a

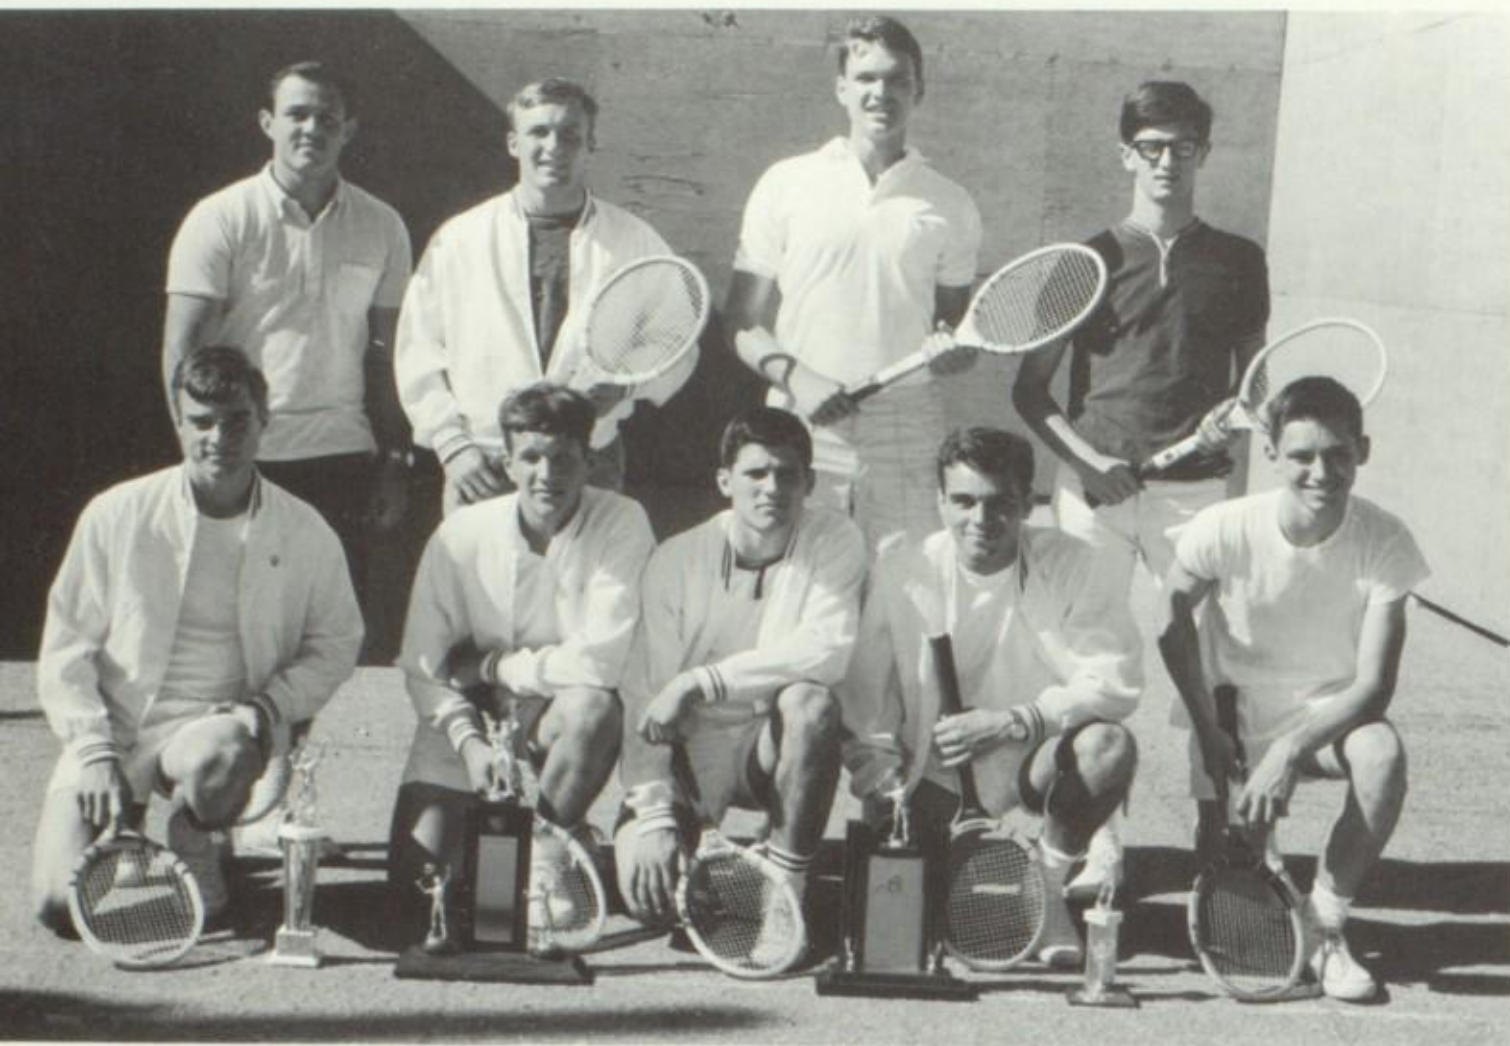

good season this year with six returning lettermen — Terry Claassen, Randy Cullen, Mike Graham, Terry Gregg, Robert Harms, and Fred Nuss. Mr. Nebergall contemplated a fine performance from Seniors Phil Kohart and Frosty Pommerenke and nine sophomore linksters.

The sophomore golfers get helpful advice from Coach Nebergall.

Seniors Terry Claassen and Mike Graham spent many hours of practice in preparation for their final high school golf season.

Tennis Team Finishes Fine Season

The Panther tennis team of '65 experienced its finest season of the past few years under Coach Wayne Bradshaw. They took first place at the WCKL league tournament in the doubles and second in the singles.

Rick Wilber contributed to the success of the team by placing fifth at the Wichita State Tournament and first at the Salina Regionals.

This year the boys' tennis team is under the direction of Homer Kruckenberg, who is in his first year of coaching.

This year's returning lettermen are: Tim Bercheidt, Will Schubert, Gary Krause, and Steve Miller

One of the key players this year is returning letterman Will Schubert who should have a fine season.

Carolyn Dewey promises to be an outstanding player for the 1966 team.

Linda Nichols practices her serve in preparation for an approaching tournament.

The Girls' Tennis Team, under the supervision of Mrs. Janet Jimison, will be looking for a lot of girls to supplement the only three returning letterwomen for this year: Carolyn Dewey, Lynn Nebergall, and Linda Nichols.

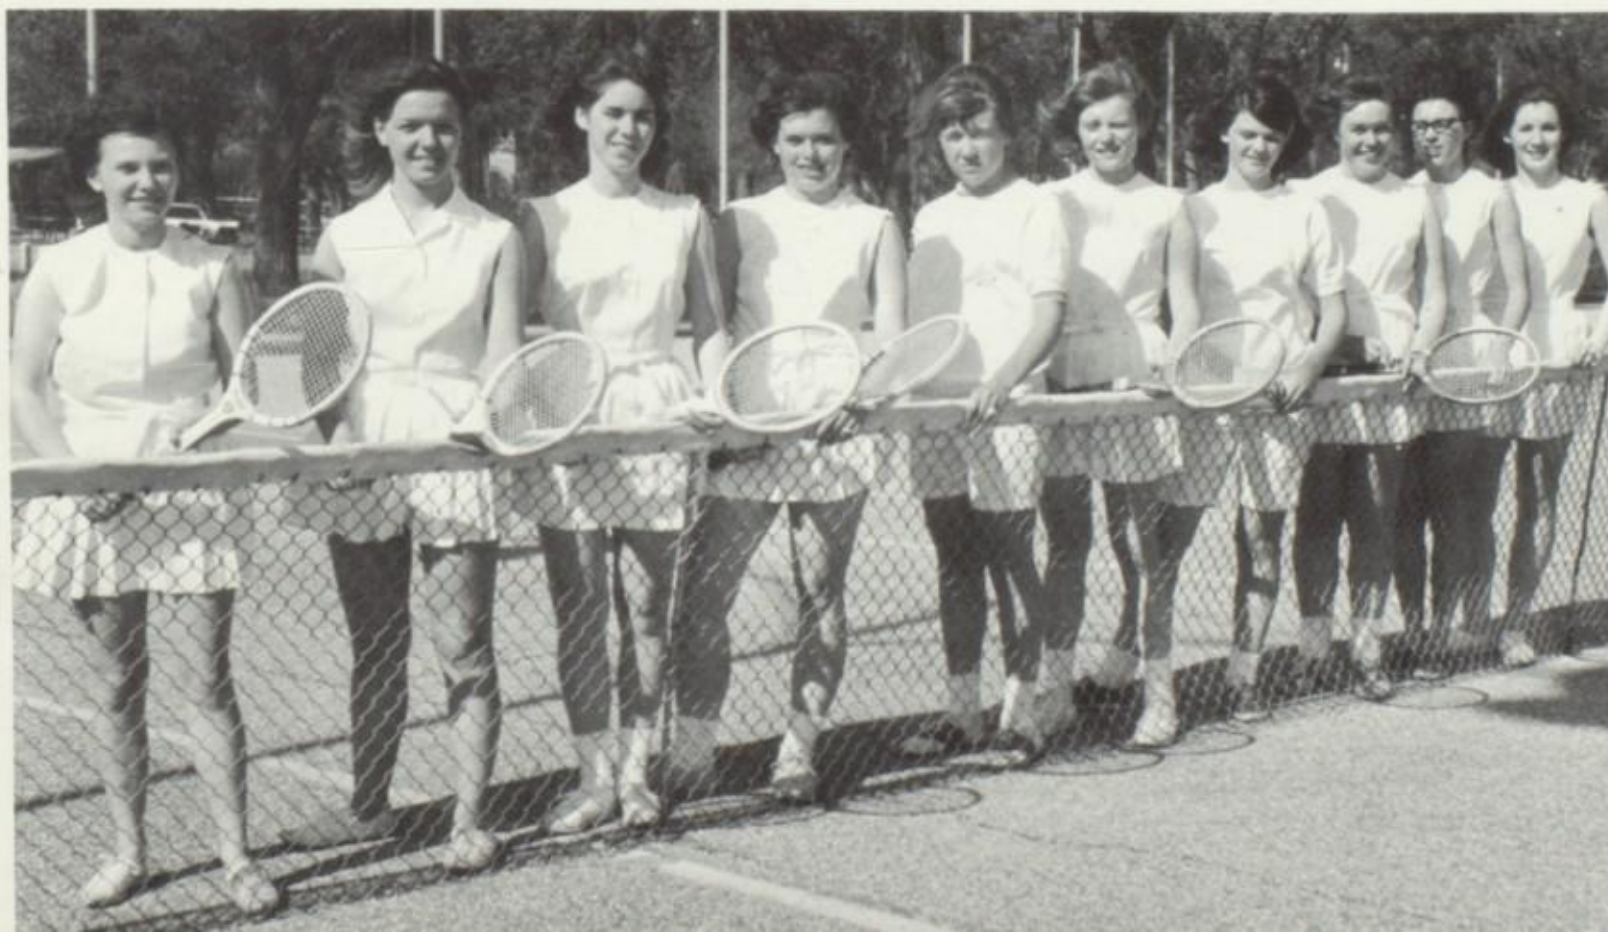

It is hoped that many girls will take advantage of this opportunity to try for a place on the team.

Last year, the Girls' Tennis Team had a fairly good record, winning about half their games. The doubles team of Lexie Bryant and Charlotte Harwood took second place in the League competition, and second place in the Invitational Tournament at Hutchinson.

Intramurals this year proved to be both competitive and fun. Competition was between the A-league and the B-league with a total of one hundred and six boys participating. The purpose of intramurals was to provide those boys not playing varsity basketball a chance to play on a team. Donald Brichacek organized the intramural program and Dale Carpenter and John Munds served as referees.

Football Homecoming Queen candidates honored at a morning assembly were: Paula Miller, Linda Nichols, Sara Richards, Linda Thompson, Esperanza Zuniga, Arnell Essmiller, Susie Fugger, and Sharon Bartholomew.

The climax of the homecoming festivities for the 1965 football season was the crowning of Miss Linda Thompson as homecoming queen. Co-captain Alan Detrich crowned the queen. Teresa Brown was flower girl and Greg Kennan crown bearer.

Earlier in the day the candidates had been presented in a special assembly and the Queen selected by a student body vote.

Other homecoming activities included the Homecoming Parade during the afternoon and a dance after the game honoring the Queen and her attendants.

Homecoming

Linda Thompson expresses surprised delight as she is named the 1965 Homecoming Queen.

Senior enthusiasm was shown by their unique Homecoming float.

Greg Laudick, crownbearer, and Amy Isern, flower girl, assisted in the crowning of the queen.

Honorary attendant Esperanza Zuniga signs autographs for admiring fans.

Highlights

The crowning of Miss Margaret Murphy as Homecoming Queen by Randy Yowell, captain of the basketball team, highlighted the 1966 basketball season. The coronation ceremonies preceded the varsity game with Larned. Amy Isern, flower girl, and Greg Laudick, crownbearer, assisted in the event.

After the game, the Queen and her attendants presided over a dance in the gymnasium. "Cupid's Delight" was the theme for the dance. Decorations included cupid figures lining the walls, and a large, red satin heart in the center of the floor.

The Panther Parents sponsored the Homecoming dance and provided refreshments and music for the 300 students who attended. Music for the evening was by the "Beethovens."

Panther Pal

Every year the yearbook staff sponsors an inter-class contest to help promote the sales of the RHOREA. Each homeroom nominated a candidate and from these boys one was elected to represent each class. Then, upon purchase of a RHOREA, the students voted for their favorite "Panther Pal."

This year Ahmet Cakir was crowned "Panther Pal" by the cheerleaders during the Football Homecoming assembly. Representing the junior class was Max Roberts and the sophomore representative Larry Linenberger. This was truly an exciting event to conclude the RHOREA sales.

Corrigan Week, March 21-26, is a tradition at GBHS. During this "turnabout" week, the girls treat the boys as if they were kings by carrying their books and treating them to dates. This week was initiated by the Girls' Pep Club.

The members of Pep Club, sponsored by Mrs. Jimison, Mrs. Querry and Mrs. Schmitt, worked long hours decorating and preparing the gym to fit the theme.

The highlight of the dance came when Karen Beahm, Pep Club president, crowned the 1966 Corrigan King.
